

I already know...

A study of an aspect or theme in British history that extends pupils' chronological knowledge beyond 1066.

Vocabulary

Civilisation - the society, culture, and way of life of a particular area.

Ancient - belonging to the very distant past and no longer in existence.

Modern - relating to the present or recent times.

Before Common - referring to a year before the birth of Jesus Christ when the Christian calendar starts counting years.

Common Era - It's used to mark years after the birth of Jesus.

Key Knowledge

- BCE means 'before the common era'. Anything that happened before the year 1CE is referred to as BCE. CE means 'the common era'.
- The Pharaoh collected the taxes, controlled the army, made the laws and was generally in charge of running the country.
- There were many Gods who had different responsibilities. E.g. Ra was God of the sun.
- The pyramids were built by Pharaohs as tombs and contained all the things they would need for the afterlife.
- Clocks, calendars and the decimal system were invented by the Ancient Egyptians.

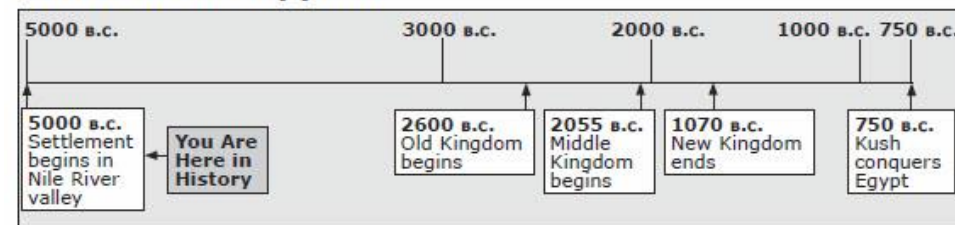

Key people

- Tutankhamun
- Cleopatra
- Howard Carter

Timeline

When did it happen?

Questions to ask

- How do BCE and CE help us understand when events happened in history?
- What was the role of the Pharaoh in Ancient Egyptian society?
- What did Ancient Egyptians believe about their gods and the afterlife?
- What lasting achievements did the Ancient Egyptians leave behind?
