Autumn 2 2026 Year 1

(Due Monday 14th December)

Creative Homework – Wreath Making

For your creative Homework this term, please can you make a wreath that could hang in your house or on a door.

You may choose to use found objects to create this, or draw/ paint or cut your own components. You could use fabric, paper, plastic or cardboard to make this.

Here are some examples of how others have done this...

You can either bring this into school or post a picture on Tapestry.

Thankyou and we look forward to seeing your wreaths!
