Autumn 2 2026 Year 3

(Bring in week beginning 14th December)

Creative Homework – Rome Wasn't Taught in A Day

For your creative Homework this term, we would like you to research a Roman god or goddess and produce something based on your research. This could be a temple constructed out of any material (including edible items), a poster explaining who they are and key facts about them, a symbol created to depict who they are (example a harp for Apollo) or a model of the god or goddess themselves.
