EYFS Creative Homework

For your creative homework this term, we want you to investigate the magic of the world around you.

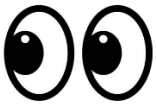

You can choose to:

- Research a special topic to find out more and become our 'resident expert', presenting your findings to the class
- Carry out an experiment or test, using some of use some of our super science skills along the way.

You can either submit your creative homework via a picture or attachment on Tapestry (video or photos), or you can bring it into school.

This homework will run for the Autumn 2 term until **16th December.**
