

### What should I already know?

- You will know how to use different pieces of paper and other materials to create a piece of art

### What will I know by the end of the unit?

- Know that Batik is a way of creating art that goes back thousands of years
- Know that batik is the technique of using wax on fabric to create an image which is then covered over by paint. The wax repels the paint to create the overall picture.
- Know that batik creates texture in art

### Vocabulary

Fabric

Wax

Glue

Texture

Blanket stitch

Running stitch

Applique

### What skills will I have developed?

Drawing skills

Application of glue which accurately matches the drawing/design

Painting skills – using fabric to paint on
