Year 6 Arithmetic Homework

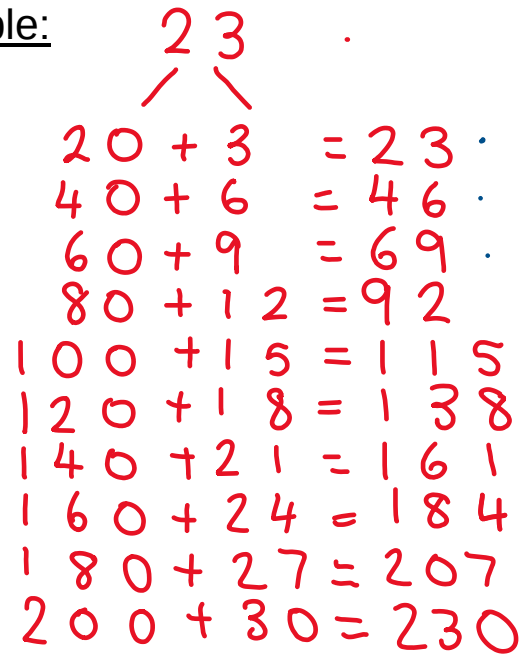

Given out: Friday 18th September 2026
To be tested: Friday 25th September 2026

This week's Arithmetic Homework is **scratch pads.**

In Year 6, we need to be complete a formal long division method. Scratch pads will help us do this. They give us the times table of your divisor.

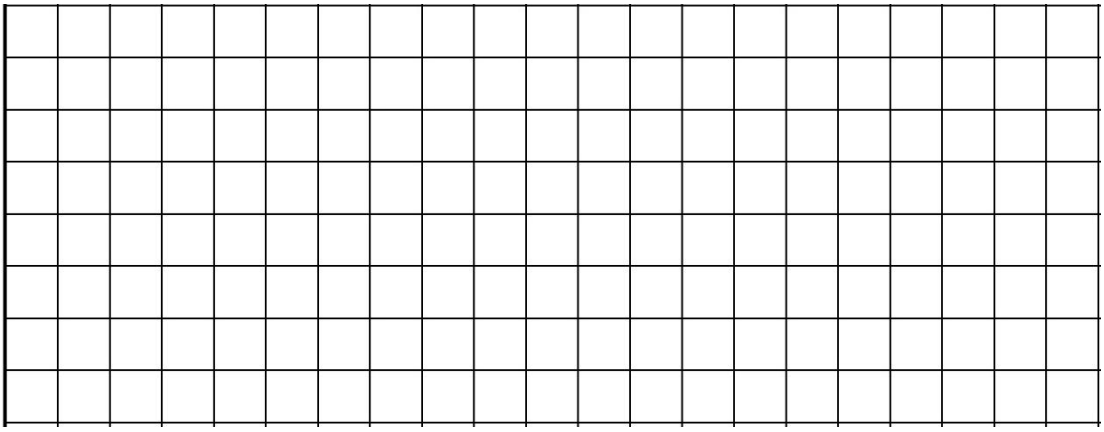

We have learnt the method during Maths lessons and we will continue to revise this topic in our Basic Skills sessions this week. But you should also practise over the week to make sure that you are confident and secure. Complete the questions on the back of the sheet and return it to school on Friday.

Example:

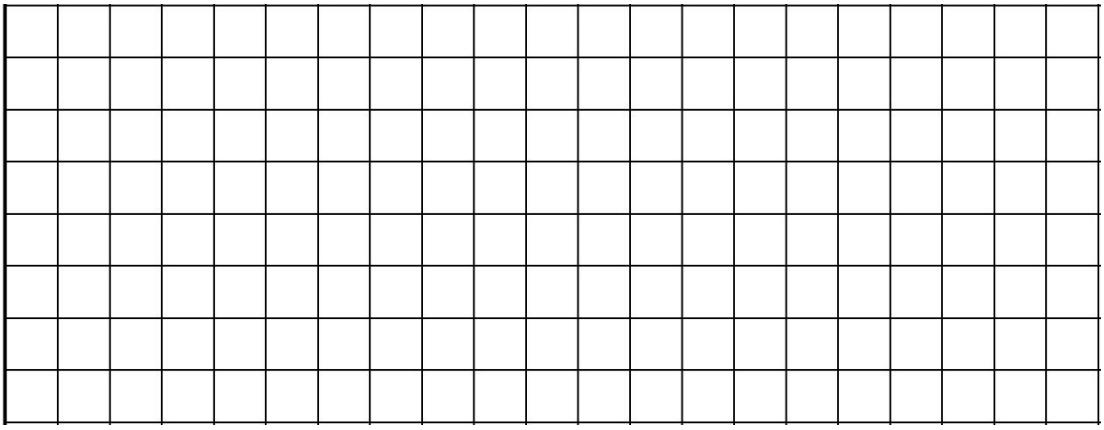

Questions:

1) 28 scratch pad:

2) 52 scratch pad:

3) 64 scratch pad:
