Year 1 Curriculum Map Term 3B

English

In English, this half term we will be focussing on the story 'The Last Wolf'. We will explore the story, the characters and the vocabulary. We will have two writing outcomes, the first one is 'hunting story sentences'. With this we will be retelling the story as we have read it without changing the story line or characters. For our second write we will be writing a recipe. This will include a recipe for a dish to trap an animal. We will be writing out a list of equipment and ingredients and then writing a list of instructions using imperative verbs.

Throughout our lessons we will continue to focus on capital letters, full stops and finger spaces. We continue to have sentence accuracy everyday which focuses on grammatical or punctuation. Some examples are adding 'un' to the beginning of words. Adding er, ed, ing and est to the end of words and using exclamation and question marks.

Maths

This half term in **Maths** we will be learning about fractions, money and time. We will begin with our fractions unit, in which we will learn to recognise and find half and quarters of shapes and quantities. We will do this practically and using written methods.
During our money unit, we will learn that to recognise different coins and notes, and that they have different values. We will then learn to make different amounts using coins.
When learning about time, we will learn he days of the week and the months of the year. We will then move on to learn about the different units of time (hours, minutes and seconds), we will learn to tell the time to the hour and half hour on an analogue clock.

Throughout the half term, we will be learning to use different mathematical equipment to support our understanding, such a Numicon, 10 frames, number tracks, number lines, cubes and counters, to support our understanding of mathematical concepts. We will also be developing our problem solving and reasoning skills through discussion and practical problems.

As Scientists,

Our focus this half term is the Summer season. We will also be overviewing and evaluating the four seasons. We will learn to observe and describe weather associated with Summer and discuss how day length varies. We will be evaluating and comparing the seasons that we have learnt about.

Science

In History, we will be learning about the changes in medicine from past to present. We will be learning about the lives of Florence Nightingale and Mary Seacole and will be looking into how they changed hospitals and medicine for the better. We will also be comparing how different the lives and accomplishments of Mary Seacole and Florence Nightingale were different and why.

History

In PE, we will be developing our knowledge of athletic skills. We will be sprinting, taking part in relay and hurdle races and learning how to complete obstacle courses. We will be practising our overarm and underarm throws and perform standing long jumps with increasing accuracy.

Music

<u>As musicians</u>, we are going to be introducing the concept of pitch and melody and exploring them with percussion instruments. We will also being composing out own musical pieces using the skills we have learnt this year.

<u>In our RE lessons,</u> we will be discussing what places are special to us and will be finding out what different religions may find special to them.

RE

Art

<u>As Artists</u>, we will be exploring different materials and creating collages using mixed media. We will be looking at the work of the artist Eric Carl, the illustrator of The Very Hungry Caterpillar. After studying his work, we will be creating our own piece of art based upon his work.

Sudley

In our PSHE lessons, we will be recapping our important rules of how we can stay safe online. We will also be discussing what makes us special and unique, sharing people that are special to us and how we help each other.

PSHE

In Spanish, we will continue to practise the vocabulary we learnt in the previous terms. We will build on this by learning the names of different body parts. We will do this through singing songs and rhymes, playing games and practising with our peers. Throughout the year, we will also learn about Spain and the Spanish culture.

Spanish

General reminders

Please remember to read regularly with your child at home, both their RWI phonic books and their 'reading for pleasure' storybook.
All books should be returned to school on Monday and new books will be sent home on Wednesday.
Indoor PE kits should always be in school.
Children should come into school every Wednesday wear their outdoor PE kit.

Friday 4th July

Year 1 Sports Day - further details to follow.
