Science

As Scientists, Children will learn that: there are different scientific enquiry methods that can be used to answer questions. They will also learn what a scientist does, and jobs that involve science.

Children will learn about habitats and know that all living creatures have a habitat that suits their needs. They will identify and name a variety of plants and animals and their habitats,

PSHE

In PSHE, we will learn about Digital safety. Learning that there are different places to make friends. We will discuss and learn about the Qualities of a good friend. The children will learn that there are strategies for positive play.
The class will discuss the fact that friends can have arguments and there are strategies for resolving them.

In PE, during our outdoor PE lessons we will focusing on Ball skills, learning the skills of throwing and catching.

During our indoor PE lessons, we will be focusing on different types of dance from around the world .

P.E

As Musicians,

We will be learning to sing the Harvest songs for our harvest assembly in October.

Music

In Spanish, we are learning about farm animals. Labelling them, identifying them. They will listen to and join in with animal songs in Spanish as well as count from 1-10.

Spanish

Sudley

RE

In RE, we are learning about the Jewish religion.

Who is Jewish and what do they believe? Studying Judaism, the children will compare the celebrations and traditions to their thoughts and ideas and family life. They will think about special meals like the Shabbat and the special objects eg. Mezuzah.

Art

As Artists,

We will be exploring watercolour painting techniques.
The children will learn about the life and painting style of artists Claude Monet and Ian Fennelly. They will imitate the painting style of Ian Fennelly as well as draw and paint a local landmark building in the style of Ian Fennelly. Finishing the topic by an evaluation of their artwork.

As Historians, they will learn about the Great Fire of London and that it took place in the year 1666. They will learn about the Houses in London and that they were made from oak timber. The children will read about Samuel Pepys and his significance to the Great Fire. They will compare the past to the present day and how life has changed since the impact of the fire.
