Year 2 Curriculum Map Term 3A

English

In English, we will be studying the book, ***The King Who Banned the Dark by Emily Haworth Booth***. Our two writing outcomes will be: ***a Persuasive Letter*** as well as ***a Narrative on Banning***. Our grammar will focus on using suffixes e.g. –ness, –er as well as the formation of adjectives using suffixes e.g. –ful, –less. They will continue to use the suffix –ly to turn adjectives into adverbs as well as using expanded noun phrases for description and specification. They will use subordinating conjunctions (when, if, that, because) and co-ordination (or, and, but) to extend sentences. Children will continue to use past and present tense throughout writing and use capital letters, full stops and question marks to demarcate sentences as well as apostrophes to mark where letters are missing in spellings as well as commas to separate items in a list.

Maths

This half term in Maths, our focus will be on ***Time and measurement.***
As Mathematicians they will compare and sequence intervals of time, as well as tell and write the time to five minutes, including quarter past/to the hour. The children will draw the hands on a clock face to show these times as well as know the number of minutes in an hour and the number of hours in a day. We will also focus on measurement: how to measure weight, using the language of grams and kilograms, as well as solving word problems using the four operations.

Sudley
Primary School

<u>As Scientists,</u> we will study the topic: ***Animals including humans: basic needs for animal and human survival***. Children will learn that we have internal and external body parts that need to be looked after. A balanced diet is important for our health and wellbeing. They will also learn that we can keep our bones, muscles and heart strong and healthy through exercise as well as the importance of sleep for our growth and health Skills. Children will learn how to create a balanced meal using all food groups and how to exercise correctly for our bodies.

In PSHE, we will focus on two different areas of learning**;** ***Physical health and Mental wellbeing*** (3 weeks)

Keeping safe (2 weeks). Children will learn the importance of keeping healthy and what we can do

<u>In PE</u>, during our outdoor PE lessons we will focusing on ***Tennis***.

During our indoor PE lessons, we will be focusing on ***Rounders.***

Music

As Musicians,

The children in year 2 will be introduced to Rhythmic Ostinato.

Spanish

In Spanish, the children will Recap colours by learning a rainbow song as well as learning weather phrases

RE

In RE, they will think about the idea that each person is unique and important. The children will talk about the benefits and responsibilities of friendship and the ways in which people care for others. Children will consider that we all have special gifts we can use to benefit others. They will learn that some religions believe that serving others and supporting the poor are important parts of being a religious believer. In addition to this, they will hear other stories about how people have been inspired to care for people because of their religious beliefs.

Primary School

Art

As Artists, the children will become a sculptor, looking at the abstract sculpture work of Eva Rothschild by Michelle Reader and Jill Townsley.

<u>As Historians, we will be focusing on the Explorers</u>

The Children will explore the life of Ernest Shackleton and order the events on a timeline, They will also explore the life of Amelia Earhart.

History

Additional Information

Children have TTRS logins in their reading logs, 10 minutes per week would help support them with their knowledge of tables and corresponding divisions.

Remember to listen to your child read each week. Log each time you do this, in their reading records. Return reading books and homework books, every Monday.

<u>Trip to Kenyon Hall Farm</u>

2I/2C Tuesday 29th April

2S/2M Wednesday 30th April
