Year 3 Curriculum Map Term 3B

English

In English, we will be studying the text 'Into The Forest' by Anthony Browne. Our first unit will be focussed on writing a Lost Narrative. We will learn how to develop characterisation through use of 'Show Not Tell'. We will combine this with our previous learning on dialogue, effective verbs and adverbs and short sentences. Our second unit of work will be based on writing a newspaper report about key events from 'Into The Forest'.

In Guided Reading, we will be focussing on _____. We will discuss new vocabulary and rehearse our reading through the use of choral and echo reading. Following this, we will check our comprehension of the text through questioning.

Maths

This half term we will be focusing on telling the time. We will tell and write the time from an analogue clock, including using Roman numerals from I to XII, and 12-hour and 24-hour clocks. We will estimate and read time with increasing accuracy to the nearest minute. The children will record and compare time in terms of seconds, minutes and hours, using vocabulary such as o'clock, am/pm, morning, afternoon, noon and midnight. By the end of this term, the children will know the number of seconds in a minute and the number of days in each month, year and leap year. Throughout our lessons we will work with a range of representations and demonstrate our understanding of mathematical concepts when problem solving.

In our Basic Skills sessions we will be consolidating our understanding and rapid recall of the 3, 4 and 8 times table.

<u>As Scientists,</u> we will be learning about

To develop our scientific knowledge, we will make systematic and careful observations, identifying differences and similarities between types of rocks. We will use straightforward scientific evidence to answer questions relating to fossils.

Science

History

<u>In History</u>, we will be learning about

<u>In PE</u>, we will be developing our running, throwing and jumping skills during our Indoor Athletics lessons. We will investigate different techniques for speed and acceleration in running, control in throwing and distance for jumping before applying these skills in an athletics circuit.

During our Outdoor PE sessions, we will be consolidating our learning from Year 3 and refining our hockey, netball and basketball skills.

Art/DT

As Artists, we will be exploring the work of Anthony Gormley. We will evaluate their artwork and consider how we could imitate their work using the same style before creating our own piece of art inspired by these artists. We will use different gradients of pencils and shading techniques for effect before evaluating our final piece.

In our RE lessons, we
