Primary PE and Sport Premium Grant

Primary PE And Sport Premium Grant
The vision for the Primary PE and Sport Premium grant is for “all pupils to leave primary school physically literate with the knowledge, skills and motivation necessary to equip them for a healthy, active lifestyle and lifelong participation in physical activity in sport.” The funding has been provided to ensure impact against the following **OBJECTIVE:** To achieve self-sustaining improvement in the quality of PE and sport in primary schools the focus of spending must lead to long lasting impact against the vision that will live on well beyond the Primary PE and Sport Premium funding.

Sudley
Primary School

Primary PE And Sport Premium Grant – Key Indicators	
Schools are expected to achieve self- sustaining improvement in the quality of PE and sport against the following 5 key indicators:	
1.	The engagement of all pupils in regular physical activity – kick starting healthy lifestyles.
2.	The profile of PE and sport being raised across the school as a tool for whole school improvement.
3.	Increased confidence, knowledge and skills of all staff in teaching PE and sport.
4.	Broader experience of a range of sports and activities offered to all pupils.
5.	Increased participation in competitive sport

Primary PE And Sport Premium Grant – Funding Update	
Allocated for 2025/26	£23,060
Amount carried over from this total fund into 2024/25	Nil
Total amount allocated for 2025/26	£23,060
Total amount of funding for 2025/26. To be spent and reported on by 31st July 2026.	£23,060

Sudley
Primary School

New School – Sudley Primary School

Sudley Primary School was established on the 1 September 2023. The school was formed with the amalgamation of 2 separate schools, Sudley Infant School, and Sudley Junior School.

Planned Funding Projects 2025-26

At Sudley Primary School, we place great emphasis on PE and sport. Planned funding will enhance our provision in the following ways:

- To pay for professional development opportunities for teachers in PE and sport, including providing cover to release teachers.
- Provide Top up swimming session for all Year 6 pupils who are unable to swim 25 metres.
- Provide opportunities for children to attend additional swimming events.

- To enable more children to attend sport competitions by providing school transport and to increase pupils' participation in school games.
- To buy quality assured professional development modules /materials for PE and sport.
- To provide places for pupils on after school sports clubs allowing for a wider and new range of sports to be played.
- To purchase additional resources required for our after-school sports clubs, for example team kits.
- To purchase additional resources for our 'Active Lunch' activities.

Additional Funding Project 2025-26

Project Summary

For the 2025–26 academic year, the school is allocating funding to install a Multi-Use Games Area (MUGA) and playground equipment within the EYFS outdoor learning environment.

Sudley
Primary School

This upgraded outdoor space will provide an all-year-round facility that supports children in developing their physical skills, coordination, and confidence. By engaging in structured and free-play activities in this environment, children will be better supported in achieving their Early Learning Goals in the Physical Development area of the EYFS framework.

Projected Impact of Funding

The project aims to:

- Promote gross and fine motor skill development through a variety of physical activities.
- Enhance balance, coordination, and spatial awareness in a safe, stimulating environment.
- Encourage confidence, independence, and a positive attitude towards physical activity.
- Provide a durable and versatile space for both structured PE sessions and imaginative play.

Sustainability

This investment will create a lasting resource that will benefit children's physical, social, and emotional development, helping them thrive both now and in their future learning journey.

This will not only benefit the children presently at the school but will provide a high-quality learning environment for many years to come.

Our historical investment of Sports Premium and the projects have remained sustainable.

Sudley
Primary School

The CPD that we have invested in staff continues to have a positive impact on the provision we can offer. The same is true of the resources we have purchased during the years – athletics hurdle/basketball posts/additional playground markings/repairs and improvements to our traversing wall.

We have developed our competition level sports sufficiently enough for these to continue. Additionally, we have made strong links with Sports Partnership organisations to ensure that Sudley Primary children engage with competitive events year on year. Our annual participation in the Liverpool Cross Country Championship and the Liverpool Schools Football Association competitions continues to grow and develop.

Primary PE And Sport Premium Grant 2025-26 –School Action Plan			
PE and sport premium Key outcome indicator (s)	School focus/Intended outcomes	Actions and strategies	Resources/ Cost
1,4	To audit current resources and purchase additional equipment where needed. School to purchase equipment to enhance the curriculum offer -	To review the curriculum, offer in PE. To write the school's curriculum intention for PE.	

	equipment for use at clubs and Lunchtimes etc.	To identify and purchase addition resources	
1,2,4	To allow any children who are not at National Expected Levels in Swimming to attend Liverpool's Top Up Swimming Programme. Year 5 will be attending in February 2026.	Assess all Year 5 children – Spring/Summer 2026 Year 6 children who are not at the expected swimming level will attend the Top Up Swimming Programme during their Year 6 year.	
1,2,4,5	Installation of a MUGA/playground equipment to further enhance the learning opportunities in the EYFS learning provision. An increase in outdoor facilities, which can be used all year round, will give the youngest child in the school greater opportunities to improve their Physical Development and achieve their Early Learning Goals.	Engage stakeholders to gain feedback on the proposed designs. Award the contract Installation of equipment by March 2026	

	Launch an Active Lunchtime Programmes using our newly installed MUGA and Trim Trail.	Appoint 2 members of staff to facilitate and monitor the activities the children take part in. Purchase additional resources for our active lunchtime programme.	
	For our pupils to access as many competitions as possible throughout the year.	Upper Key stage football competitions run by Liverpool Schools's Football Association. Liverpool cross country and athletic competition. Liverpool Schools' swimming events.
