Home Time

- Please bear with us as we get to know you all.
- Stand in line behind class stand, really helpful if you could tell the teacher who you are collecting and your relationship.
- Don’t be offended if we are still asking in 3 weeks – we want to keep your child safe and make sure they go home with the correct person.
- When you greet your child, please move to the side so we can continue to see the remaining children out.
- Let us know in advance if someone different is collecting your child – this can be done on the door in the morning or via email.
