

"Guided by the light of Christ, we grow, learn and shine together."

Friday, 2nd October 2026

What a fantastic week we have had at Corpus Christi! We have seen some wonderful work across the school, with children showing creativity, enthusiasm and growing confidence. One thing that I've enjoyed seeing is the development of our writing, and I have had plenty of children coming to me sharing their writing efforts. Developing our writing continues to be a key focus, and it is lovely to see their efforts paying off.

This week, our Mini Vinnies visited Victoria Care Home as part of their autumn project. The children enjoyed spending time with residents, working together on the Autumn Community Tree Project, colouring and painting beautiful autumn leaves. It was a lovely opportunity to bring generations together and put our school values into action.

Looking ahead, we have some special events planned for next week:

Monday – Open Day at 1:30pm We look forward to welcoming prospective families to the first of our open days and showing them everything that makes Corpus Christi such a special place to learn and grow. Please share this open day with any prospective parents you feel it may benefit.

Thursday – Brew and Biscuits with Mr Hale Parents and carers are warmly invited to join me in the school hall for a brew, some biscuits and a friendly catch-up about all things Corpus Christi. This gathering was a lovely opportunity to meet last year and I hope even more of you can join us this time.

Friday – Hello Yellow Day All pupils are invited to wear yellow as we take part in YoungMinds' nationwide campaign to support children and young people's mental health. We will celebrate the importance of looking after our wellbeing and supporting one another.

Thank you for your continued support. Have a lovely weekend, everyone!
