Be Happy

This week we have been focussing on the school rule 'Be Happy'. In my assembly we read the story 'Pass it on' by Sophy Henn which is about finding joy in the smallest of things. We discussed what the impact of giving and sharing happiness has on others.

We linked the story to our well-being and the children thought of ways they can stay happy in school such as:

- Knowing who their trusted adults are
- Listening to their inner coach
- Being in the green zone
