GREEN Zone

This week we have been recapping all about the Green Zone. We have been exploring different emotions and talking about how they can affect our bodies and our behaviour. The children have been practising a range of helpful strategies-such as deep breathing, taking a short break, and using positive self-talk-to help them stay calm, focused and ready to learn. We are so proud of how confidently they are able to recognise their feelings and use these strategies independently

The *green* zone.....the learning zone!!
We are expected to be in the *Green* Zone while we are learning. It is when our brains and bodies are relaxed and focused!

How does my body feel?

My energy level is 'just right'

I am calm, focused and ready to learn!

'Music Live' Assembly

This week we were delighted to be visited by the Tameside Music Service. The children enjoyed an exciting interactive performance featuring drums, piano, saxophones and the double bass. They were absolutely in awe as they listened to each instrument and watched the musicians play. Afterwards, the children had the chance to talk about their favourite instrument and explain why they liked it. It was a wonderful experience that sparked lots of curiosity and enthusiasm for music!
