Walk to School Challenge

Our school has been chosen to be part of an exciting initiative to encourage more children and their families to walk to school. WOW – the walk to school challenge is delivered by Living Streets, the UK charity for everyday walking, to help as many children as possible experience the benefits of walking or wheeling to school.

The pupil-led challenge enables children to self-report how they get to school every day. If they travel actively (walk, cycle, scoot, 'Park and Stride' or hop off) at least once a week, for a month, **they get rewarded with a badge**. It's that simple!

Fundraising

This week, we welcomed 11 new goldfish to our school! Having fish in the school environment offers many benefits, including creating a calming atmosphere and providing pupils with opportunities to learn about responsibility and caring for living things. To help with the upkeep of our new fish, the Eco Team will be running some fundraising activities, including a *Name the Fish* competition and special arts and crafts events. Please support school with our fundraising efforts!
