YELLOW Zone

This week we have been learning all about the **Yellow Zone**. We have been exploring feelings such as frustration, worry, silliness and excitement and discussing how these emotions can affect our bodies and our behaviour. The children have been practising helpful strategies- such as **belly breathing** and doing a simple **body scan** to notice how their bodies are feeling- to help them move back towards the Green Zone and stay ready to learn.

The **Yellow Zone**.....during play time, lunch time and even at the end of the day, it's expected for us to be in the **YELLOW ZONE!!**

How does my body feel?

Chinese New Year

This week we celebrated **Chinese New Year** in school with lots of excitement and creativity! The children came dressed in **red and gold**, colours that symbolise good luck and happiness. The children enjoyed taking part in our **arts and crafts competition**, creating dragons, lanterns and beautiful festive designs. We also shared a delicious **Chinese-themed lunch**, which the children absolutely loved. It was a wonderful day filled with learning, culture and celebration!

SUPERSTAR LEARNERS OF THE WEEK

These children have impressed their teachers this week with their **dedication and super attitude to their learning!**
