RED Zone

This week we have been learning all about the **Red Zone**. We have been exploring big, intense feelings such as anger, fear, being out of control or feeling overwhelmed, and discussing how these emotions can affect our bodies and our behaviour. The children have been practising helpful strategies-such as taking slow, calm breaths and using grounding techniques-to help them manage these strong emotions, move back towards the Green Zone and get ready to learn again.

Walk to School challenge

We are thrilled to see so many pupils taking part in our WOW challenge-walking, scooting or cycling their way in each morning with big smiles and lots of enthusiasm. A huge well done to **Year 4**, who were our most active class this month and have proudly earned the top spot! Thank you to all families for supporting this initiative and helping promote healthier habits for our school community.

Ramadan Mubarak

Ramadan Mubarak to all our families who are observing this special month! Ramadan is a time of reflection, kindness and community, and we know many of our children and families will be taking part in fasting, prayers and acts of charity. As a school, we are proud to support our pupils during this meaningful time and celebrate the values of compassion, patience and togetherness that Ramadan brings. We wish all who are observing a peaceful and blessed month.
