#### Language of the Month

As part of our commitment to being a diverse and inclusive community, we are proud that over **20 different languages** are spoken across our school.

To celebrate this rich diversity, we have introduced a **'Language of the Month'** initiative. This helps children learn about one another's languages while celebrating the different traditions, cultures and experiences that make our school community so special.

Last month, we celebrated our **Arabic-speaking children**. The children enjoyed learning some basic greetings and listening to their friends speak in their home language.

This month, we are celebrating **Yoruba**, a language spoken by millions of people around the world, particularly in Nigeria and neighbouring countries.

Please look out for our **Language of the Month display** at the entrance of the main hall, which showcases learning from across the school.
