Character Competencies

As pupils engage and participate in The Harmony Pledge, they will also develop some character competencies that will enable them to tackle any problem or situation that arises in their education and life. This week we focussed on being:

At Greenfield, we nurture **cooperation** by encouraging children to work together, support one another and value different ideas and perspectives. Through collaborative learning opportunities across the curriculum, pupils develop teamwork, communication, respect and problem-solving skills in a supportive environment where every child feels valued and included. Being cooperative enables children to share ideas, listen to others, contribute positively to group tasks and achieve success together while building strong relationships and a sense of community.

Hot weather

More hot weather is forecast next week, so please remember to send your child to school wearing sun cream and a sun hat, and with a water bottle. This will help us to keep all children safe, comfortable and hydrated during the warmer weather. We will ensure classrooms are well ventilated and adjust playtimes and lunchtimes as needed.
