Attendance

This week, we have continued our learning about rights and responsibilities and how these link to attendance. We discussed the fact that all children have the right to an education and deserve to:

- *Learn new things every day.*
- *Make friends and feel part of a community.*
- *Be safe and supported by caring adults.*
- *Discover their talents and interests*
- *Achieve their dreams for the future.*

With this right, comes the responsibility to be an **ATTENDANCE HERO**:

Home Learning

Every week your child will receive Home Learning. Parents play an important role in their child's success.

Reading together, practising key skills and showing an interest in learning at home can boost confidence, support progress and help children achieve their full potential.

Please check on your child's [class page](#) to find out the weekly expectations from the class teacher.
