Sharing Worries

This week, children explored the importance of sharing worries and knowing who they can turn to for support. We discussed every child's right to feel safe, listened to and supported, alongside their responsibility to speak to a trusted adult if they are worried about themselves or someone else. Children were encouraged to identify five trusted adults from home, school or their community who they can talk to when they need help.

Parking

We kindly ask all parents and carers to park safely and considerately when dropping off or collecting children. Please do not park on yellow lines, across driveways, on pavements or in areas that could obstruct visibility for pedestrians and road users. The roads around school can become very busy at peak times and safe parking helps protect our pupils, families, neighbours and the wider community. If possible, please consider parking a little further away from school and walking the final part of your journey.
