Safety in the Community

This week, the children explored how to stay safe when they are out and about. They discussed making safe choices, road safety, water safety, stranger awareness and fire safety, as well as what to do in an emergency.

Pupils learned the importance of staying with trusted adults, being aware of their surroundings, knowing who can help them, and using the "No, Go, Tell" approach if they feel unsafe.

The children also reflected on how they can make responsible decisions to keep themselves and others safe in their local community.

Reading Workshops

We're excited to invite parents to our Reading Workshops over the next few weeks! Join your child for a fun, interactive session where you'll share stories, discover simple ways to support reading at home and learn how we can work together to develop a lifelong love of reading. We look forward to seeing you there! Your child will bring home a poster with the date and time for their class.
