Safer streets. Happier schools.
Let's keep our school communities safe 🍷

Good parking makes a big difference – for our children, families and neighbours.

Please think before you park...

BLOCKING DRIVEWAYS	PARKING ON CORNERS	SPEEDING	BLOCKING PAVEMENTS	PARKING ON ZIG ZAG LINES
It prevents residents from getting in and out of their homes – which can be dangerous and frustrating.	It limits visibility for other drivers, cyclists and pedestrians – and can lead to accidents.	It puts children, families and other road users at risk. Slow down – school zones are not racing tracks.	It forces pedestrians – including children, parents with pushchairs and those with mobility needs – into the road.	It's illegal and puts children's lives at risk. These lines are there to keep the area clear for better visibility and safety.

We all play a part
Please park responsibly, be considerate and help keep our school areas safe for everyone.
