Dear Parents,

I am writing to invite you to an important information meeting regarding the SATs for Year 6 students, which will take place in the Year 6 classroom on **Tuesday 24th March at 3:25 pm**. This meeting will provide you with the dates of the tests as well as valuable insights into how we can work together to support your children.

As part of our commitment to ensuring that our students feel confident and prepared for their SATs, we will be distributing homework booklets tonight. These booklets are designed to assist you in helping your children navigate this transition effectively. Sections of each booklet will be set weekly and children will have the whole week to complete what has been set.

As has been the case with homework throughout the year, **each booklet must be returned by the following Monday**, and we encourage children to take ownership of their learning as they prepare for their next step.

Our school has implemented an extensive support programme this school year and in the run up to the SATs tests, which – alongside normal curriculum learning - includes grammar support and streamed learning during school hours, after-school booster sessions and online programmes aimed at enhancing learning and exam technique. We have also worked alongside other agencies to provide wellbeing strategies and support to our children.

I would like to extend a heartfelt thank you to our dedicated Year 6 team for their tireless efforts in coordinating these initiatives, often during their own time and with so much good will for our pupils.

We look forward to seeing you at the meeting and working together to ensure the best outcomes for our hardworking students. Your involvement is crucial in helping them achieve their potential.

Yours sincerely,

Mrs Jeffery
