

Parent governor application 2026

Lisa Dixon

Thank you for reading my application to be a Parent Governor. My name is Lisa Dixon and my daughter is currently in Year 3. I care deeply about ensuring that our children receive the best education possible and that there are aspirations for their futures. I believe they should have high expectations for pupils and value their hard work and effort, encouraging them to be the best that they can be.

I completed my teacher training in 2004 and have worked in a variety of schools across the country, both at secondary level (teaching History and Religious studies) and at primary level (EYFS, Key stage 1 and Key stage 2). I have also worked as an Education officer in the Civil service in London. My background in Education has given me knowledge and experience of the curriculum, school policies, assessment, safeguarding procedures and in developing and delivering learning programmes. I am organised, conscientious, caring, raise concerns when necessary and understand the need for confidentiality.

Currently I am taking a career break to raise my family which allows me time to fully commit to the role. As a parent I regularly attend school events (eg Stay and Pray, Mass) and help on school trips. If I were elected, I am keen to attend training, meetings, contribute ideas and opinions and visit the school regularly.

I would also contribute to the work of the governing board by working together to ensure:

Parent governor application 2026

- Good education provision through a strong curriculum and learning opportunities, to improve pupil and school performance.
- Clear school policies.
- A safe and nurturing environment where safeguarding is paramount and the needs of children are met.
- High expectations for all.
- That the ethos and faith of the school is embedded.

Thank you and I hope that you will consider me for this role.
