

Literacy

We will continue with phonics and begin to blend letters to make CV and CVC words. Our reading skills continue to develop and we will be reading a variety of fiction and non fiction texts. We will write with meaningful purpose and make up some of our own stories. These might be scribed by an adult.

RE

We will be working together as a whole school to learn about different parts of the bible and creating new representations for display.

Maths

We will be focusing on number recognition to 20, playing lots of counting games and linking objects to numbers. We will be learning what add means and what it is to take one away.

Celebrations

PSE

This half term we will be focusing on our developing friendships and thinking about how we share and how to cope with disagreements. We continue to develop strategies for self regulation and solving conflicts with and without the help of adults.

Expressive arts and design

We are going to be looking at the work of three artists - Kandinsky, Klee and Riley. We will be exploring colour, lines, circles and patterns.

Understanding the world

We are talking about different tenses, thinking about before and after. We Are going to learn about Celebrations, linking with Other cultures and religion.

Communication and language

We are going to be telling lots of stories and speaking with purpose. We will ask questions about different texts and topics. We will be trying to predict what might happen next in different scenarios. Linking with PSE, we will continue to practice taking turns in conversation and listening.

Physical education

This term our PE is centred around the book 'Superworm'. We are looking at different ways to use our bodies to travel. We have lots of 'funky finger' activities - Strengthening fingers and hands ready for writing.
