Year 6

Mr. Crook's message

I want to begin this week by saying just how incredibly proud I am of our Year 6 children. Watching the way they have approached their SATs this week has filled me with enormous pride. They faced each day with focus and determination, supported one another quietly and calmly and showed a maturity well beyond their years. Whatever the outcomes may be, the children need to know that they have absolutely nothing to prove. I could not be prouder of them and it has been a genuine privilege for all of us to lead and support them during this important moment in their journey. All of them should be extremely proud of themselves because we couldn't be any prouder. They are all so pleased it's over!! I am also extremely proud of our staff who have worked with this cohort over the past seven years. As Headteacher, I have seen first-hand the consistency, care and commitment that has gone into supporting these children from their earliest days in school through to this point. The confidence and character our Year 6 pupils now show is a direct result of years of belief, encouragement and dedication from so many members of staff and I want to thank everyone who has played a part in shaping them into the young people they are today. It has been a busy and positive week elsewhere in school as well. It has been lovely to see so many children attending Messy Church on Monday and enjoying time together in a relaxed setting. Wishing you all a lovely weekend!
