# HEADTEACHER MESSAGE

Dear Parent / Carer,

As we come to the end of another busy and rewarding half term, I would like to take this opportunity to thank all of our parents and carers for your continued support. The strong partnership between home and school plays such an important role in ensuring our students are able to flourish, and we are very grateful for your encouragement, trust and commitment throughout the term.

It has been another eventful week in school with many opportunities for our students to learn, serve and achieve beyond the classroom. We were delighted to welcome Sandy from the Diocese Youth Mission Team, who spoke to our Sixth Form students about the Youth Pilgrimage to Lourdes. This is a programme that our school has proudly supported for a number of years, and it was wonderful for students to hear more about the opportunities for faith, service and personal growth that the pilgrimage offers.

Our Golden Key students have also enjoyed a particularly busy and enriching week. They attended a talk about the Camp America experience, providing valuable insight into future opportunities available to them. They have also continued their visits to a local care home, where they have been supporting residents with technology and enjoying activities together, including games such as chess. These intergenerational experiences are always incredibly rewarding, and it is heartening to see the positive impact they have on both our students and the residents alike.

Our sporting teams have once again represented the school superbly in football, cross country and netball fixtures. A special congratulations goes to our girls' football team, who have progressed to Round 3 of the Cheshire Schools Competition. We are extremely proud of their achievement and of the commitment shown by all of our students who have taken part in fixtures this term. My thanks also go to the staff who give their time so generously to support these opportunities.

Congratulations are also due to our talented Sixth Form mathematicians who have achieved success in the UKMT Senior Mathematical Challenge. This is an excellent accomplishment and reflects both their hard work and enthusiasm for mathematics.

As we break for half term, I would like to thank our entire school community for their continued support and contribution to school life. I wish all of our students, parents, carers and staff a restful and enjoyable half-term break. We look forward to welcoming students back to school on Monday 2nd November for the start of another exciting half term.

Warmest wishes,

*Lorraine Henderson - Headteacher*

*Tim Beesley - Executive Headteacher*

**Youth SVP will be on during lunchtimes on Thursday in B11.**

Well done to the Year 7 D & T groups who have this half term completed their first project of the Year. Some outstanding work across the board.

Well done to our Year 7 Design & Technology students, who have successfully completed their first project of the year this half term. The standard of work produced has been exceptional, with students demonstrating creativity, enthusiasm and excellent practical skills throughout.

We are incredibly proud of their achievements and look forward to seeing their talents continue to develop over the year.

# GOLD!

## 2026 UKMT SENIOR MATHEMATICAL CHALLENGE

We are thrilled to announce that 2 of our year 13 students have achieved Gold certificates in the 2026 UKMT Senior Mathematical Challenge, placing them among the top national scorers.

As a result of their outstanding performance, both students have officially qualified for the prestigious Andrew Jobbings Senior Kangaroo follow-on round, taking place on Wednesday, 18 November 2026. This is a fantastic accomplishment that reflects their hard work, logical thinking, and dedication to mathematics.

Congratulations to you both on this well-deserved success, and wishing them the very best of luck in the Kangaroo round!

# OUR VISIT FROM CAMP AMERICA

REPRESENTATIVES FROM CAMP AMERICA VISITED THE GOLDEN KEY SOCIETY TO TALK ABOUT THE OPPORTUNITIES AVAILABLE.
SAM TOLD US ABOUT HIS OWN EXPERIENCE AS A CAMP COUNSELLOR, EXPLAINED THE APPLICATION PROCESS, AND EVEN CAME WITH SOME FREE T-SHIRTS.
GOLDEN KEY ISN'T JUST ABOUT ACADEMIC OPPORTUNITIES, WE WANT OUR EMERGING SCHOLARS TO BENEFIT FROM AS MUCH ENRICHMENT AS POSSIBLE - AND, FOR YOUNG ADULTS, CAMP AMERICA IS A PERFECT PLACE TO START.

# THE HOLLYMERE CONNECTION

AS PART OF THEIR ONGOING COMMITMENT TO OUR COMMUNITY AND CIVIC LIFE, GOLDEN KEY STUDENTS HAVE ESTABLISHED A CONNECTION WITH HOLLYMERE, A LOCAL RETIREMENT HOME. THIS WEEK STUDENTS HOSTED A TECH DROP IN, SUPPORTING ELDERLY RESIDENTS WITH THEIR TECHNOLOGY QUERIES. ONE RESIDENT JUST WANTED SOMEONE TO PLAY CHESS WITH, AND OUR GK SIXTH FORMERS WERE MORE THAN HAPPY TO OBLIGE.

# Congratulations to our U13 girls' football team!

A fantastic 5–1 victory over Tarporley sees the girls progress to Round 3 of the Cheshire Schools Competition! It was a brilliant all-round team performance, with a special mention to our captain for scoring an impressive hat-trick!

Well done, girls — an outstanding achievement! We wish you the very best of luck in the next round!

# year 7 netball

**Last week, our Year 7 netballers played their very first match for the school against Whitby High School.**

**The girls played brilliantly and really got stuck into the game from the first whistle. It was great to see them working together as a team, encouraging one another and growing in confidence as the match went on.**

**For many of the girls, netball is still a relatively new sport, so it was lovely to see them enjoying themselves, learning together and putting everything they have been practising into a competitive game.**

**They represented the school fantastically and, most importantly, had lots of fun along the way. Well done, Year 7! We're looking forward to seeing how the team develops over the season.**

# U15 netball

## what a team!

***A huge well done to our U15 netball team, who fought brilliantly against Wirral Grammar School for Girls in Round 2 of the Sisters in Sport competition.***

***It was goal for goal throughout the entire game, with some truly phenomenal netball being played by both sides. Our girls were superb and gave absolutely everything, but one late turnover, with time sadly not on our side, saw us narrowly lose 45-47.***

***What a game though! We are incredibly proud of this team and they should be just as proud of themselves. What makes their performance even more impressive is that this isn't solely a Year 10 team, with talented players from Years 8, 9 and 10 all competing together.***

***Our Sisters in Sport journey may have ended for this season, but we have plenty more competitions to look forward to in the New Year, as well as the Nationals next year.***

***An unbelievable effort from a brilliant group of girls. What a team!*** 💙🏐

year 7

**On Tuesday 20 October, 15 of our Year 7 students competed in the Halton and Ellesmere Port District Schools Cross Country fixture at the Sports Village.**

**Despite torrential rain, cold temperatures and a challenging course, our students showed fantastic determination and resilience, all completing the 2,700m race!**

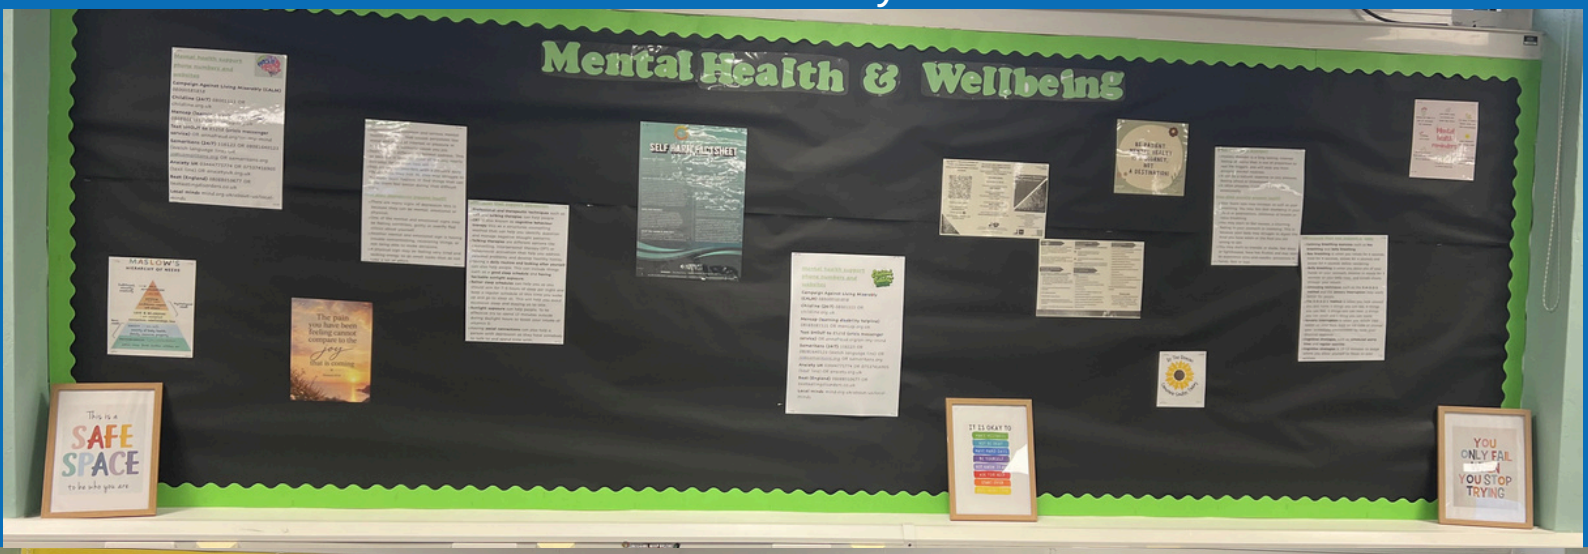

**They ran brilliantly against other schools, many of whose competitors were a year older.**

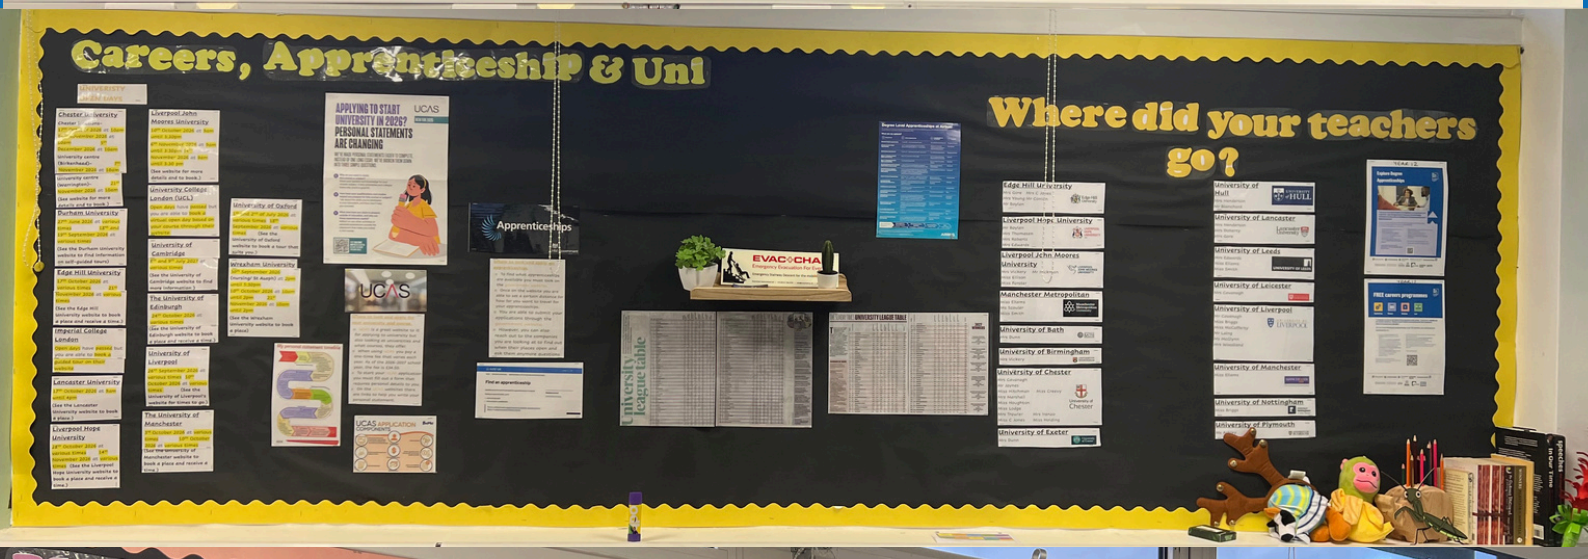

**A huge well done to everyone who took part! You did yourselves and EPCHS proud with your effort, enthusiasm and team spirit!**

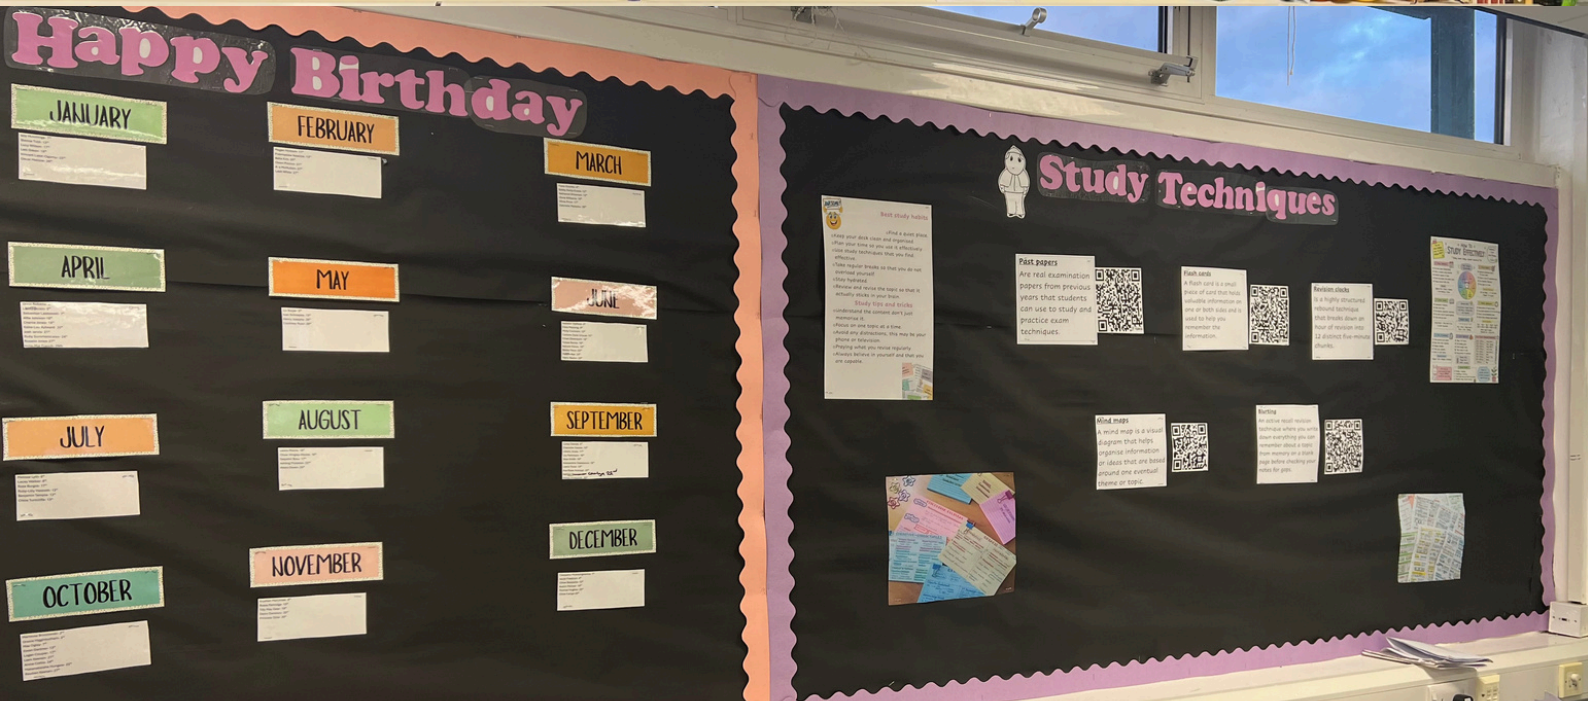

# cross country challenge!

# Thank you

Our Sixth Form is looking fantastic thanks to the wonderful, informative displays created by one of our Year 13 students. These engaging displays help to create a welcoming and inspiring environment for our Sixth Form community.

# NESS GARDENS

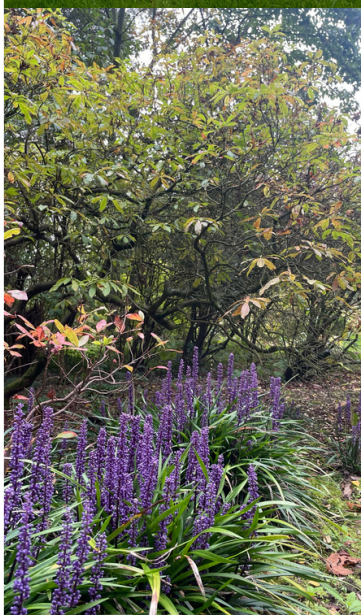

## ART TRIP

Our Year 11 Art students visited Ness Botanical Gardens to spend the day developing observational drawings and documenting the beauty of the surrounding nature through collecting primary photographs. Students will be responding to these through drawing, painting and mix media techniques for their landscape project.

***'Documenting the beauty of the surrounding nature'***

# HEAD OF YEAR HEROES

Congratulations to all of our Head of Year Heroes this week!

We are celebrating for reasons such as:
✅ Excellent attitude in school, respectful student
✅ Recognition of his commitment to interventions
✅ 100% attendance

We are incredibly proud of your hard work, dedication and achievements. Keep up the fantastic work!

# What Parents & Educators Need to Know about

# DEEPFAKES

A deepfake is a piece of artificial intelligence (AI) trickery designed to make you believe that a person has said or done something they haven't. AI models are able to use audio, video and photos of a subject to produce misleading mimics. Initially unsophisticated and easy to spot, deepfakes are improving every day. And with the spread of user-friendly AI, it's easier than ever for children to make their own, or be the unsuspecting target of them.

WHAT ARE THE RISKS?

## A BULLYING RISK

AI has got easier to use and more widespread, making it a "gift" to bullies. Children can generate fake audio of peers saying damaging things, or pictures of them doing something embarrassing. More disturbingly, Metro recently highlighted cases where fake sexualised images of teens are spread through social media. Mainstream apps don't allow this usage, but with AI becoming widespread, easy-to-use sites without guardrails keep emerging for darker uses.

## FAKED CELEBRITY ENDORSEMENTS

With the technology getting easier to use and public figures having lots of clips for training, celebrities are a frequent target. According to McAfee, the most deep faked celebrities are Taylor Swift, Scarlett Johansson, Jenna Ortega, Sydney Sweeney and Sabrina Carpenter, and their AI dopelgangers are usually pushing scams. Even YouTuber MrBeast has been deepfaked by scammers on TikTok. It can be used for propaganda too, making politicians appear to do or say things to improve or harm their reputation.

## FAKE FAMILY SCAMS

With a few seconds of audio — from an Instagram reel or TikTok — scammers can clone a person's voice. They can then use this to scam relatives with phone calls asking for money or assistance. This is a widespread tactic for scammers, with the FBI reporting 22,000 such cases in 2025, defrauding victims out of $893 million that year alone.

## EXTORTION RISK

You might not be the one being tricked by a deepfake — you could also be the star of it. Blackmail videos are as old as film itself, but with deepfake technology you don't have to have done anything wrong to be a target. A deepfake video showing a person in an uncompromising position could make the victim pay up, even when the content never happened.

# Advice for Parents & Educators

## KEEP PROFILES PRIVATE

To make a convincing deepfake, you need a supply of images, audio or video of the subject. That means that most non-celebrity victims are targeted via social media where there's a ready-made repository of media to train a deepfake from. Most social media companies have privacy settings to prevent unauthorised access. Enable these to keep strangers and bullies away.

## KNOW WHAT TO LOOK FOR

While deepfakes are getting harder to spot, there are still telltale signs to look out for. Deepfake creation can leave blurry edges and flickering textures, especially around hair and teeth. It can also look too sleek, with models often trained on professional video. Make sure the mouth shapes match the spoken words, too. As for audio, listen out for mispronounced phrases and a slightly unusual, robotic rhythm of speech.

## USE RESEARCH AND COMMON SENSE

Even perfect deep fakes rely on trust, so think critically. If it's someone you know claiming to need help, then ask them to prove they're who they say they are with an inside joke. For public figures, try Googling the person along with a bit of the contentious speech in quotation marks. Also question why you're seeing the video. If it's a paid promotion, then ask yourself who's paying and why. If someone is sharing the clip, do they dislike the target?

## TALK TO YOUR CHILDREN

As well as emphasising the need for privacy and to not trust everything they see online, it's important to ensure children realise why deepfakes are problematic in the first place. With deepfake technology getting more accessible and easy to use, children can start using the technology to make deepfakes of schoolmates, teachers or other adults. Ensure they're aware of the serious trouble the technology can cause, and the ethical problems of manipulating someone's image without consent.

# Pick up a FREE BREAKFAST

## with your favourite Kellogg's cereal in our cafes

With many families facing increased financial pressure over the October Half Term, CWAC would like to highlight a nationwide initiative that could provide immediate support in your local community.

We're delighted to let you know that throughout the October Half Term, families can access free Kellogg's breakfasts in all Morrisons Cafes everyday

**· 'Breakfast Clubs' are back to help kids and grown-ups enjoy a free Kellogg's breakfast during October Half Term at all Morrisons Cafés nationwide**

· Initiative aims to ease money worries during school holidays

· Families visiting their local Morrisons Café throughout the October half term holidays can enjoy a free 'Kellogg's Breakfast', which includes a bowl of cereal and a portion of fruit. The best part, it's not just for kids, adults get to eat completely free too.

· Both kids and adults can choose from much-loved favourites Corn Flakes or Rice Krispies, topped with their choice of dairy or non-dairy milk and a free apple or banana.

The October holiday offer will be available from 12th October to 1st November across all Morrisons Cafes nationwide.

By reopening the 'Breakfast Clubs' across the school October holidays, when term-time clubs do not run, Morrisons and Kellogg's are providing families with a welcoming space to enjoy a balanced breakfast together, helping to ease financial strain and rumbling tummies, while a trip to the local supermarket will help keep kids entertained.

# Exams test your knowledge. Stress tests your mind.

**Big exams? Big pressure? You don't have to deal with it alone.**

Exams can feel like everything. Constant revision, pressure to get good grades, teachers checking in, parents asking how it's going... all while you're trying to have a life outside school. If you're stressed, losing sleep, struggling to focus, or just feeling low about it all, that doesn't mean you're failing. It just means you're human.

Wysa is a free, confidential app for young people aged 16-17 to chat anytime (yes, even late at night), get tools for exam stress, and much more. No sign-ups, no awkward conversations, just a safe space to sort out what's going on in your head.

Looking after your mental health won't replace revision. But it will make it easier to get through it.

## Here's how Wysa can help

- 24/7 support from an empathetic AI chatbot trained in evidence-based techniques
- A library of science-backed self help tools for stress, sleep, motivation, and more
- AI-detected crisis escalation pathways gently guide users toward immediate support options
- Daily check-ins to help build mental fitness, and a personal roadmap tailored to your wellbeing goals

Free School Meal changes from September 2026
Income assessed FSM - 2026/27 school year

# FREE SCHOOL MEALS

**As you will be aware, Central Government has changed rules regarding Free School Meal (FSM) eligibility effective from September 2026.**

Since 1 April 2018, all existing FSM claimants have continued to receive free school meals whilst Universal Credit is rolled out, regardless of any change in household circumstances that would have normally ended eligibility. However, this protection will end at the close of the 2025/26 school year, and households must meet the new eligibility criteria for FSM to continue receiving this support.

From the start of the 2026/27 school year, all children from households in receipt of Universal Credit will be entitled to receive FSM. However, there will be 2 categories of Universal Credit based FSM :
Targeted FSM: which continues to be based on the existing threshold, covering pupils who are in households in receipt of Universal Credit with annual household earnings of £7,400 or less
Expanded FSM: a new category covering pupils who do not qualify for targeted FSM, but who are in households receiving Universal Credit with annual household earnings above £7,400.

Cheshire West and Chester Council have completed checks over most existing FSM households to determine their eligibility and which category they may fall into. Each of these households will receive a letter informing them of the outcome of this check (or inviting them to reapply if their details could not be checked).

If you receive Universal Credit and do not currently qualify for FSM due to earning over the threshold of £7,400, but would now qualify from September 2026, you can now apply in advance
