

# *St. Mary's R.C. Primary School Learning Plan*

## *Nursery Summer 2*

**RE:** To hear the simple life of St Peter and Paul. To learn about the Jewish festival of Shabbat. To learn about the music, food, smells, tastes and specific clothing worn, to enrich understanding of other religions.

**Phonics:** We are going to continue working on Phase 2 phonics sounds and encourage children to recognise initial sounds and develop their ability to recognise rhyme, segment and blend. Children will be receiving picture reading books during Summer 2 to develop their comprehension skills.

**Writing:** We are practising writing out Phase 2 phonics letters and continuing to practise writing our names. We want to develop children's pencil control and strengthen their fine motor skills.

**Maths:** We will be looking at number composition, what comes before and after each number and generally consolidating all of the previous areas we have covered in maths.

**Communication and Language:** To make sense of language and follow instructions, develop confidence in expressing their ideas

### **Topics**

- Minibeasts - We will be reading 'Argh Spider!'. We will be finding out about minibeast habitats and the features each minibeast has.
- Transport - We will be reading 'The Naughty Bus' and learning all about different modes of transport.
- Transition - Preparing for our transition to Reception, whether your child is staying at our school or starting Reception elsewhere.

### **Home Learning Opportunities**

- To say and share your prayers together.
- To practice your nursery rhymes and spot the rhymes as you sing them.
- To match quantities to numerals. Write the number and ask your child to gather that many - 3 pencils, 2 teddies, 4 cushions etc.
