Lent

A huge well done to our Year 4 class, who began our Lent assemblies so beautifully.

Their clear, confident voices and wonderful singing created a truly special start to our Lent season. The children helped prepare everyone for the coming of Easter. We are also very grateful to all the friends and family who came along to support them.

Chinese New Year

We enjoyed a fantastic Chinese New Year parade from our Nursery and Reception children as they made their way in and out of all our classrooms, spreading colour, excitement, and celebration throughout the school.

Young Voices

Our school choir proudly took part in the Young Voices concert at the Co-op Live Arena, joining thousands of other children in an unforgettable musical experience. The children represented our school beautifully, singing with confidence and joy throughout the performance.

Internet Safety

Everyone took part in activities and learning for Internet Safety Day, helping them understand how to stay safe and responsible online. **Anyone that would like advice on internet safety, here are some good websites.** <https://www.ceopeducation.co.uk/>

Children's Mental Health Day

During Children's Mental Health Week, every class took part in a special day where pupils spent time every classroom, moving around the school to enjoy sessions led by all of our teachers. The children experienced a wonderful variety of activities, including performance poetry, yoga, music, art, crafting, prayer and reflection, and construction challenges. Each session offered something unique, and the children thoroughly enjoyed the opportunity to learn in different ways and work with different staff. It was a joyful and enriching day for everyone involved.

As part of the day all children worked together to produce a wonderful display in the hall.
