

We are excited to offer a variety of homework activities this term, all connected to our curriculum topics. You are welcome to complete as many as you would like, but we kindly ask that you try at least three. If homework is not for you, that is perfectly fine too. When you are ready to share your work, please email it to our class address at year6@bgl.org.uk. Alternatively, feel free to speak with the class teacher; if appropriate, we can arrange a special "Show and Tell" opportunity. Our goal is to make homework fun, manageable and purposeful. If you have any questions or need help, your teacher is always ready to support you. We cannot wait to see your creativity and efforts! Best of luck and most importantly, have fun!

Science Evolution

Investigate plants/minibeasts in your local area. How are they adapted to their environment. Create new creature adapted to living in a hot, dry climate

Spanish

Learn the names of your favourite outfit including colours

Maths

Use Hit The Button to learn the times tables you don't know.

There are a lot of helpful videos on You Tube to help learn tricky ones.

English

A Warning Story

Imagine you come across an abandoned house. Draw/paint/sketch create a digital picture of it and describe the setting using expanded noun phrases.

Autumn Term

Music

Find as many 'Happy' songs as you can and learn one off by heart

Art

To create a self portrait in the style of Monet.

DT

To make a paper boat and sail it on some water. You might use a puddle, the bath, or even a pond in your garden.

PSHE

Watch CBBC Newsround. Pick a topic that is in the news. How is RESPECT being shown?

RE

To live a day in the life of a Hindu 10 year old.

PE

Watch some of the Women's Rugby World Cup. Name some of the Red Roses.

Geography

'Pack a suitcase' with suitable clothing for visiting South America. Research flights, accommodation, currency. Google map where you would travel too. Write a postcard about your travels.
