

We are excited to offer a variety of homework activities this term, all connected to our curriculum topics. You are welcome to complete as many as you would like, but we kindly ask that you try at least three. If homework is not for you, that is perfectly fine too. When you are ready to share your work, please email it to our class address at year*@bgl.org.uk. Alternatively, feel free to speak with the class teacher; if appropriate, we can arrange a special "Show and Tell" opportunity. Our goal is to make homework fun, manageable and purposeful. If you have any questions or need help, your teacher is always ready to support you. We cannot wait to see your creativity and efforts! Best of luck and most importantly, have fun!

Use string and beads to create your own pattern. If you don't have these resources you could just draw one.

Work with your parents to make sure you are recycling different materials correctly. Take pictures of different materials you see.

Draw and colour an Easter egg. Why is Easter important to people?

Learn 2 facts about a different country in the world that you have visited.

Go outside and have a go at drawing the shadow of another person using chalk. Or draw a shadow of your hand using paper and pencil.

Draw a picture of a real life superhero you know.
Challenge: could you label who it is?

Spring Term

Try and draw and colour a picture of the Earth. This doesn't need to be perfectly drawn! Just try your best.

Practice writing CVC words.
Examples: cat, mat, dog, tap

Can you video yourself counting different amounts of objects? May leaves on your walk or cars that go past your house?

Who is Florence Nightingale?
Can you research and learn about who she is and what she did? Maybe draw some pictures to show what you have learnt? You could even try to write a little caption under your pictures.

Find out about a job in the past. How is it different to the job now?

Draw a picture of Spring weather, how has it changed from Winter?
