

We are excited to offer a variety of homework activities this term, all connected to our curriculum topics. You are welcome to complete as many as you would like, but we kindly ask that you try at least three. If homework is not for you, that is perfectly fine too. When you are ready to share your work, please email it to our class address at year\*@bgl.org.uk. Alternatively, feel free to speak with the class teacher; if appropriate, we can arrange a special "Show and Tell" opportunity. Our goal is to make homework fun, manageable and purposeful. If you have any questions or need help, your teacher is always ready to support you. We cannot wait to see your creativity and efforts! Best of luck and most importantly, have fun!
