

We are excited to offer a variety of homework activities this term, all connected to our curriculum topics. You are welcome to complete as many as you would like, but we kindly ask that you try at least three. If homework is not for you, that is perfectly fine too. When you are ready to share your work, please email it to our class address at year4@bgl.org.uk. Alternatively, feel free to speak with the class teacher; if appropriate, we can arrange a special "Show and Tell" opportunity. Our goal is to make homework fun, manageable and purposeful. If you have any questions or need help, your teacher is always ready to support you. We cannot wait to see your creativity and efforts! Best of luck and most importantly, have fun!

Science - States of Matter

Look in your kitchen and find 3 solids, 3 liquids and 3 gases.

Draw them or take photos and label each one.

Challenge: Explain what happens if one of them is heated or cooled.

Art - 3D Junk Model Sculpture

Use recycling to build a 3D model.

Label the shapes used.

Geography - Where Food Travels From

Pick one food from your home and draw a map showing its journey from farm to your plate.

Label countries and transport types.

RE: Islam – Ramadan, Morality & Authority

- Watch this video: <https://www.bbc.co.uk/bitesize/articles/zjc2bdm#zndb239>
- Create a kindness calendar for Ramadan with one good deed per day.
- Draw a poster showing the Five Pillars of Islam and how they guide Muslims.

History - British Monarchs

Choose one British monarch and design a Top Trumps-style card:

- Name
- Reign dates
- Personality rating
- Power rating
- One weird or shocking fact

SMSC Mini Mission

Draw one thing that is really important to you (honesty, kindness, family, friendship, etc.)

Spring Term

Science - States of Matter

Create a 4-box comic strip showing a material (e.g. water) changing from solid → liquid → gas → back again.

Helpful video: [BBC Bitesize](#)

English -

Play the BBC Bitesize Crystal Maze English game at the link below.

Write down one challenge you enjoyed and one skill you practised

<https://www.bbc.co.uk/bitesize/articles/zbm8scw>

PSHE: Money

- Design your own currency: what would it look like? What is it called?
- Play a pretend shopping game – can you budget £10 for five items?

PE - Striking and Fielding

Practise catching using a soft ball or rolled-up socks.

Try 3 different catches (high, low, moving).

Time how many catches you can make in 1 minute and try to beat it.

SMSC Mini Mission

Find out about a festival, tradition, or celebration from another country.

Create a mini-poster showing important information (Name of the festival, country, one way people celebrate it).

Maths - Graphs and Multiplication

- Choose one thing to record over 5 days (e.g. weather, steps, TV time).
 - Create a bar chart or pictogram to show your results.
 - Write one question someone could answer using your graph.
- Choose a times table to focus on (e.g. 4x, 6x or 8x).

Create something to help you practise it – a poster, song, game, quiz or rhyme.
