

We are excited to offer a variety of homework activities this term, all connected to our curriculum topics. You are welcome to complete as many as you would like, but we kindly ask that you try at least three. If homework is not for you, that is perfectly fine too. When you are ready to share your work, please email it to our class address at year3@bgl.org.uk. Alternatively, feel free to speak with the class teacher; if appropriate, we can arrange a special "Show and Tell" opportunity. Our goal is to make homework fun, manageable and purposeful. If you have any questions or need help, your teacher is always ready to support you. We cannot wait to see your creativity and efforts! Best of luck and most importantly, have fun!

Geography

We will be studying the different climate zones in Australia.

Can you find out some more facts about Australia and create your own true or false quiz?

Spanish

Create a dictionary of words and phrases you have learnt.

You could include pictures and the English word to help you!

Song time!

Time to have some musical fun. Choose one of the topics you have found out about. Can you put what you've learnt into a song? You can use this app to do it:
www.suno.com

Science

What different magnetic objects can you find in your house? Can you draw and label the different magnetic objects that you find?

History: Astley Hall

Write a persuasive leaflet detailing facts and information about Astley Hall. Try and convince people to visit by describing what is interesting or historical about it.

Summer Term

Art: Drawing

Can you create a piece of art in the style of Yellena James? She invents wonderfully bright new worlds in her art which resemble plants, flowers and natural textures.

Science

Each time we move something we use a push or pull force to make it work. Can you identify different objects from around your house that use a push or pull force to make them work?

Art: Drawing

Using a photo or a real plant/ flower, practice using line, shape and tone in a drawing.

History: Astley Hall

Be creative – can you complete a sketch of Astley Hall, or create a 3D model?

PSHE

We have been learning about how to help at home. Keep a diary or make a calendar showing which chores you complete around the house!

Reading Suggestions

The Iron Man – Ted Hughes
Magnets Push, Magnets Pull – David A. Adler
One Day on Our Blue Planet.. In the Outback – Ella Bailey
The Great Barrier Reef – Helen Scales
The Secret Diary of Jane Pinny – Philip Ardagh
