Visit from SMJ Falconry

Mathematics

Counting

We will be learning to count, match and sort objects.

Playing a range of different counting games.

Number sense

We will be recognizing numbers 1-5 and match the correct quantity.

We will be using the language of more and fewer to compare two sets of objects

Shape

We will be beginning to use mathematical names for some 2D shapes with 3 and 4 sides.

We will be identifying these in our environment.

Fingernosis

Using our fingers to represent different numbers and subitise

Patterns

Identifying simple ABAB patterns and beginning to create them.

Physical Development

Fine Motor

We will be learning to hold our pencil between our two fingers and thumb and use good control when mark making.

We will be learning to form some letters correctly

Gross Motor

We will be practising to throw, catch, and kick a ball with increasing control.

Strength

Developing our core muscle strength so we can sit properly on the carpet and at tables..

Understanding the World

Science

Identifying how we have grown and changed since being a baby.

We will be identifying similarities and differences in people

RE

We will be showing an interest in the lives of people we know and talk about special times with our family and friends.

Learning about the importance of Harvest

Science

Identifying the different seasons and looking for signs of Autumn.

Personal, Social and Emotional Development

Becoming Me

We will be adapting to our new school environment, getting along with others in our new class and following our new rules and routines.

Identifying different feelings and learning how to cope with them

We will be learning to become independent by getting dressed for PE and putting our outdoor clothes on.

Becoming a Friend

We will be initiating conversations with our friends and listening and responding appropriately.

Expressive Art and Design

Cultural awareness helps us become confident and express our ideas

We will be listening attentively to different music and learning new songs, adding in movements.

We will be using props to help us act out the stories that we read in our own words.

We will be using a range of different mediums and materials to make our own pictures and collages.

We will making models using recycled materials, leaves, other natural materials and objects.

Communication and Language

Communication conveys meaning

We will be learning to concentrate and sit quietly during carpet time and other Learning activities.

We will be beginning to understand how and why questions. We will be using language to imagine and recreate roles and experiences in play situations.

Literacy

Reading is the gateway to learning

We will be reading lots of stories looking at and describing main events, setting and characters using different vocabulary.

We will be learning to orally segment the sounds in simple words and blend them together in preparation of reading.

Writing is fundamental for learning and communication

We will be learning to hear and say the initial sounds in words.

We will be drawing pictures and story maps and beginning to label them using knowledge of new sounds learnt.
