## Boundary Learning Together

### Activities

There are four activities to complete. You can complete one a week and bring them in OR you can complete them all at once and bring them in at the end of the half term.

The deadline for these to be handed in is Monday 5th February. You will also receive a spelling list every Friday to be returned the following Thursday. Maths homework will be set on Seesaw every Friday.

Have a go with an adult at creating your own fruit salad or another healthy snack at home. Don't forget to send photos to your class teacher on Seesaw.

Can you share your favourite book with your class teacher on Seesaw? This could be a book from the library or home.
