

In Design and Technology, we will be learning about healthy fruit snacks.

We will be tasting different types of fruit and learning how to cut safely to make a healthy fruit snack.

Can you design and make a fruit kebab with a grown up at home? Take a photo and share it with us on Seesaw.

DO NOT use a knife unsupervised.

Use Spelling Shed to practise weekly spellings in a fun way. Log-ins are on the inside cover of the reading records.

## Year 2 – Spring 1 2024

You can complete one task a week and bring them in weekly or you can complete them all at once and bring them in on the last THURSDAY of term.

You will receive weekly spellings which will be handed out every Friday and collected in every THURSDAY.

You also have this half-term's KIRF's to practise. Remember you need to be able to recall these quickly. Use the top tips provided to help you practise in a fun way.

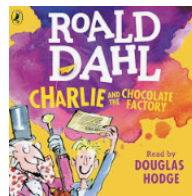

## In Science we are learning about Electricity

Electricity is everywhere. Look around your house and write a list of things that require Electricity. You might need an adult to help you. Sort the electrical appliances in your house as to whether the source is from a battery or the mains.

This webpage from the BBC also has some good activities related to Electricity.

READ! READ! READ! Draw and write about a character from one of your home reading books or from any story you have enjoyed reading at home.

In Geography, we will be learning about continents and oceans. Research a continent of your choosing. Find out some facts about it including some of the natural and physical features that can be found there.
