

Keep a weather diary for a week on the sheet attached. Then send it in to your teacher or send a photo on Seesaw.

Year 1

Spring 2

Boundary Learning Together Activities

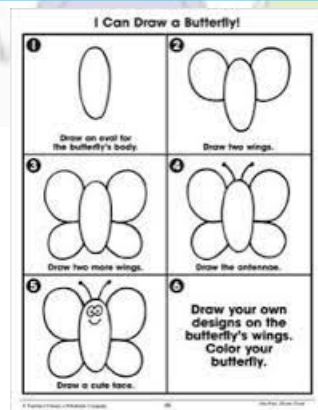

There are four activities to complete. You can complete one a week and bring them in OR you can complete them all at once and bring them in at the end of the half term.

The deadline for these to be handed in is Monday 25th March. Maths home work will be set on Seesaw every Friday.

Create a collage or drawing of an animal and its habitat.

Draw pictures and write a set of instructions on how to do something you are interested in. It could be how to play a game, how to wash the dishes, how to look after a pet. It has to be something you enjoy doing.

Make a poster, a video or take photo showing your teacher what makes you unique. You can bring in your poster or send work via Seesaw to share with your class.
