

In Computing, we are going to learn all about programming by using Scratch.

Can you explore this at home and come and show what exciting things you have made?

Our Science is all about Animals including Humans

Write a non-chronological report including all of your knowledge about the body.

Year 3 – Autumn 1

You can complete one task a week and bring them in weekly or you can complete them all at once and bring them in on the last THURSDAY of term.

You will also receive weekly spellings and times tables tasks which will be handed out every Friday and collected in every THURSDAY. Please make sure this is the day it is sent into school, to allow it to be quarantined and then marked on the following Monday. If it has not been completed, you will spend Friday break time completing it, inline with our school home learning policy. Thank you.

READ! READ! READ! Write a book review about the Home Reading book you have read or about any text from Reading Plus.

Learn your favourite poem off by heart and come to school and tell it to us all!

You're going to start learning French – how exciting?!

We will be learning to count 1-10 in French. Practise at home and get an adult to record it and send it to our email!

In Reading into Writing, we will be writing a diary.

Can you keep a diary for at least 3 days?

In Art, we will be developing our drawing skills.

Can you draw a picture of a scenery? This could be a lake, forest or a city.

Use Times Tables Rock Star to practise your multiplication skills. Use Spelling Shed to practise weekly spellings in a fun way! Use Reading Plus daily!
