

**In History we are  
learning about  
MAYANS.**

Can you make a model  
of a Mayan temple?  
Write a description of it  
to go with your model.

Year 6 – Autumn 1

You can complete one task a week and bring  
them in weekly or you can complete them all  
at once and bring them in on the last  
THURSDAY of term.

You will also receive GPS and Maths homework,  
which will be done in your workbooks. This will be  
given out on a Friday and MUST be brought back  
the following Thursday. If not, you will spend  
Friday break/lunch time completing it, inline with  
our school home learning policy. Thank you.

Our ECO theme this half term  
is HARVEST

Write a report about what Harvest  
is. This could include the history  
behind the festival, why and when  
we celebrate it and how it is  
celebrated in different countries.

**Our Science is all about  
LIGHT**

Make a 3D model to  
show how we see  
objects. You will need  
a light source, an  
object and an eye.

**READ! READ! READ! Write a book review about the  
Home Reading book you have read or about any text  
from Reading Plus.**

**Learn your favourite poem off by heart and come to  
school and tell it to us all!**

**This half term you will be applying  
for your high school! This is an  
exciting time but it might leave you  
with lots of questions/worries.  
Write down your thoughts, worries  
and questions and we will use  
these in our PSHE sessions.**

**In Reading into Writing we will  
be learning about biographies  
and autobiographies. Write a  
biography about either  
someone in your family or a  
celebrity.**

**Use Times Tables Rock Stars to practise your multiplication skills, and revision tasks are set on  
MyMaths. Use Spelling Shed to practise weekly spellings in a fun way! Use Reading Plus daily!**
