

Draw a picture of your home and label its features such as :

- roof
- window
- door
- garden.

Year 1

Autumn 2

Boundary Learning Together Activities

There are four activities to complete. You can complete one a week and bring them in OR you can complete them all at once and bring them in at the end of the half term.

Maths home work will be set on Seesaw every Friday and will need to be completed by the following Thursday.

Complete a material hunt around your house. How many different objects and materials can you find?

Morris' Material Hunt

Can you help Morris to find some objects that are made out of different materials?
Have a look around your classroom and write or draw the object in the correct box.

Paper or Card	Metal
Plastic	Glass
Wood	Fabric

Are there any objects that are made out of more than one of these materials?

Draw and label a picture of your favourite book character.

Practice you counting, number recognition and identifying one more and one less by playing number games on the Topmarks website:

<https://www.topmarks.co.uk/maths-games>
