

Year 3 Autumn 2 Overview

In **Writing**, **GPS** and **Reading**, we will be writing our own fairy tale using existing texts to support us. We will learn to use accurate

We will also learn about Poems with specific structures e.g. Shape Poems and Calligrams. We will develop adjectives to use in these poems.

In **RE**, our focus this half term will be Islam, the Prophet Muhammad (pbuh) and why he is so important for Muslims. We will learn what he teaches Muslims on how to live their life.

In **PSHE**, we will be learning more about how to keep ourselves safe through clear decision-making. We will discuss body language and what this means, how communication can be verbal and non-verbal. We will also discuss Anti-Bullying week and think about ways in which we can learn to be tolerant and respectful citizens, in keeping with British Values.

In **History** we will be learning about The Stone Age into The Iron Age. We will explore what life was like and how it evolved throughout this time.

How Stone Age Humans Made Hand Axes

In **Maths**, we will continue to focus on addition and subtraction of three digit numbers in written approaches as well as mental methods.

We will also learn how to use multiplication and division written methods. It is vital that pupils know their multiplication tables in order to succeed.

In **P.E**, we will be doing some Yoga sessions, learning a range of simple yoga poses to help develop their strength, balance, and flexibility. With our sports coach, we will be focussing on Gymnastics - linking movements. Please ensure your PE kit is in school all week!

In **Science** we will be investigating magnets and how they attract and repel each other and other materials. We will be making scientific predictions and conducting experiments to see which everyday objects are magnetic. We will also be looking at how objects move across various surfaces and investigating different forces.

In **Design and Technology**, we are exploring what a shell structure is. The children will look at prototyping and creating their own 3-D net. Then we will plan and design our own structure, following a design brief.

SHAPE	NET

In **French**, we will be focussing on core vocabulary. We will learn the French alphabet and we will be learning a variety of phonetic sounds.

In **Music**, we will be looking at the History of music. We will be listening to a range of pieces across time and appraising them. We will start to make comparisons, looking at similarities and differences.
