

In Geography we will be learning about the continents and oceans.

Create a fact file including key facts about the 7 continents.

Can you identify items in your house that use battery or mains electricity?

Year 2 – Spring 1

BOUNDARY LEARNING TOGETHER

You can complete one task a week and bring them in weekly or you can complete them all at once and bring them in on the last THURSDAY of term.

You will also receive weekly spellings which will be handed out every Friday and collected in every THURSDAY.

You also have this half-term's KIRF's to practise. Remember you need to be able to recall these quickly. Use the top tips provided to help you practise in a fun way.

READ! READ! READ! Draw and write about a character from one of your home reading books or from any story you have enjoyed reading at home.

Our Science is all about Electricity

Can you create an electrical safety poster informing people how to remain safe and highlighting the Do's and Don'ts around electricity.

In Art we are using the environment to create Art. Could you create a piece of art based on something you can see outdoors. This could be a plant, scenery leaf, flower etc. You can use any media to create this: paint, pens or collage.

Remember to access SPAG.com for weekly homework. Also access EdShed for weekly spelling and Maths practice.
