

We will be learning about
frame structures in
Design Technology this
term!

What materials could you
use to make a structure
that relates to Blackpool?
Perhaps you could make a
structure of the big wheel
or Blackpool Tower.

Science

Can you create a
timeline of
pictures from
when you were a
baby to now? List
the things that
have changed
through this
period of time.

Boundary Learning Together - Year 5, Spring 1

You can either complete one task a week and bring them
in weekly or you can complete them all at once and bring
them in before the last Thursday of half term.

You will also receive weekly spellings, weekly Maths
homework and weekly GPS homework. Weekly work will be
available from Friday and should be completed by
Thursday morning. If it has not been completed, you will
spend Thursday break time completing it, in line with our
school home learning policy.

Please let us know if you need any help with this work.

Thank you.

Miss Starkey and Mr Parsons

Reading into Writing: Write a biased argument.

E.g., reasons why children should not be allowed
energy drinks.

Maths: Learn your times tables. Your task is to use TTRS, a multiplication grid or practice
sheets to learn them. You will be tested at the end of the half-term to see how much progress
you have made!

RE

We will be learning about Hinduism
and about the Hindu festival of Holi (a
colourful festival), which celebrates
spring, love and new life.

Design a colourful painting/picture
using bright colours that represent the
Holi festival.

Food - Design Technology

If you had your own restaurant, what would
the food be? Can you design a menu?
Think about starters, mains and desserts.
