

### **Ancient Greece:**

**The Ancient Greeks made great works of architecture, including the Parthenon. Find an image online and draw a sketch or make a model.**

### **Science:**

Air Resistance

Can you make a paper aeroplane that can stay airborne for 5 seconds? Experiment with different designs – how can you improve your plane?

### **Boundary Learning Together - Year 5: Spring 2**

You can either complete one task a week and bring them in weekly or you can complete them all at once and bring them in on the last Monday of term.

You will also receive weekly spellings, weekly Maths work and weekly GPS/Handwriting work. Weekly work will be handed out every Friday and collected in every Friday morning. If it has not been completed, you will spend Friday break time completing it, in line with our school home learning policy.

Please let us know if you need any help with this work.

Thank you.

Miss Starkey and Mr Parsons

### **French:**

Create a poster about the weather in a region of France. Research key words/phrases so that you can write as much of it in French as possible, as well as using the knowledge learnt in lessons.

### **RE:**

Use this following website to read stories from the Bible and pick your favourite. You need to be able to summarise the story and explain why you picked it.

<https://kidscorner.net/bible->

**Reading into Writing:** Can you write your own fable?

Remember the features and the key moral message.

**Maths:** Learn your times tables. Your task is to use TTRS, a multiplication grid or practice sheets to learn them. You will be tested at the end of the half-term to see how much progress you have made!
