

### **In Art we are learning about ACTIVISM**

Can you make your own piece of art that uses drawing, colouring or collage to highlight an area of injustice? Ideas could include plastic pollution, black lives matter or animal cruelty.

### **In RE we will be learning about THE EASTER STORY**

We'd like you to create a book that tells the story of Easter suitable for children in Year 2. You can watch a simple version of the story here:

<https://tinyurl.com/2p8uken7>

### **Year 6 – Spring 2**

You can complete one task a week and bring them in weekly or you can complete them all at once and bring them in on the last THURSDAY of term.

You will also receive GPS and Maths homework, which will be done in your workbooks. This will be given out on a Friday and MUST be brought back the following Thursday. If not, you will spend Friday break/lunch time completing it, inline with our school home learning policy. Thank you.

**READ! READ! READ! Write a book review about the Home Reading book you have read or about any text from Reading Plus.**

**Learn your favourite poem off by heart and come to school and tell it to us all!**

### **In Science we are learning about EVOLUTION AND INHERITANCE**

One of the most well-known scientists linked to understanding evolution is Charles Darwin. We would like you to complete a fact file/all about Charles Darwin project using Google Slides. This can be done on our Google Classroom. If you don't have access to this at home you can always use time in the school day to complete it.

### **In English we will be writing Persuasive letters**

Write a letter to Miss Moyes trying to persuade her to get a school dog!

**Use Times Tables Rock Stars to practise your multiplication skills. Use Spelling Shed to practise weekly spellings in a fun way! Use Reading Plus daily!**
