

Welcome Back!

What we are learning this half term.

Our topic this half term is "Home Sweet Home". Our sensory story will be 'Let's build a house'. We will be looking forward to exploring where we live and our local community.

This term we will be visiting Blackpool Zoo and will explore our local area on a minibus journey.

We will be continuing to develop our love of shared stories and engagement and early phonics and writing skills. In math we will continue to develop our understanding of prepositional language and knowledge of number.

We will also continue to develop our engagement, focus and concentration during a variety of multisensory activities including sensory cooking and junk modelling and art using natural resources.

How you can help at home.

Please continue to enjoy sharing books and stories together at home. Point out letter sounds and encourage you child to show letters when asked.

Please let us know if you need any visuals to support communication at and continue to model and use clear language when engaging in activities with your children.

Talk to your child to talk about their local community and the different houses you see, including your home. Talk about places you visit in the community or local sights as you drive around.

Reminders

- Please make sure **all** items of clothing are clearly labelled with your child's name including hats, gloves and coats and shoes.
- Please make sure your child has a sun hat and sun cream applied daily as the weather improves and we continue to engage in outdoor play and learning.
- Please send in a spare set of clothes including socks, incase your child gets wet during water play.
- Reading books will be changed on a Friday. Please make sure the children bring them back into school with their diary signed.
- Please check our class page on the school website and Facebook for updates of our learning in class.
- We politely ask that children do not bring toys from home in to class to save any upset if they get lost or damaged.
