

In Computing, we will be learning about algorithms and Beebots.

At home, can you create a map giving instructions on your route to school in the morning. Remember to stay safe and be careful who you ask and who you share the information with.

Year 2 – Summer 1 2026

You can complete one task a week and bring them in weekly or you can complete them all at once and bring them in on the last THURSDAY of term.

You will receive weekly spellings which will be handed out every Friday and collected in every THURSDAY.

You also have this half-term's KIRF's to practise. Remember you need to be able to recall these quickly. Use the top tips provided to help you practise in a fun way.

In Science we are learning about seasonal changes.

Can you keep a weather diary at home for a week. Think about how the weather is changing, the temperature and how the plants around you are changing.

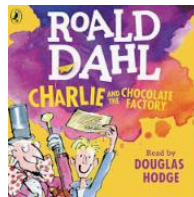

Use Times Tables Rock Stars to practice your times tables. By the end of year 2, you should be fluent with your 2's, 5's and 10's. Help us win the battle!

Use Spelling Shed to practise weekly spellings in a fun way. Log-ins are on the inside cover of the reading records.

READ! READ! READ! Draw and write about a character from one of your home reading books or from any story you have enjoyed reading at home.

In music we will be looking at improvising. Can you create your own piece of music and send it to your class teacher on Seesaw. Remember music can be made from anything!
